GSG's Popular Webinar Extended

Denver, CO – Gateway Services Group (GSG) launched a new monthly webinar series aimed at providing practical, actionable tools for credit unions relating to their investment, insurance and trust programs. The initial webinar was entitled Growing Non-Interest Income with your Retail Investment Program. After strong positive feedback, GSG will continue offering this webinar throughout the summer.

The webinar will be offered on June 23, 2010 at 2:00 EST; July 21, 2010 at 1:00 EST; and August 18, 2010 at 1:00 EST;

“The webinar is perfect for credit union executives who are responsible for the oversight of their member investment programs,” said Judy Sandberg, SVP of GSG. “GSG has accumulated many tips and insights from managing investment programs across the U.S. for the last ten years. The webinar will highlight practical suggestions and GSG will highlight actual credit union case studies where these ideas were implemented with success.”

“We learn more each day as we work with our credit union clients across the U.S.” said Cynthia Pollard, GSG’s National Director of Program Management. “Each of your credit unions has a unique field of membership and internal sales culture. We need work to leverage each credit union’s unique strengths so they can perform to their potential.”

GSG will be offering this webinar and future webinars in this series at no-cost. To view the date and to register, please visit our website at www.gsllc.com.

About Gateway Services Group
