GSG Unveils New Fall Line-Up of Free Webinars

Denver, CO – As summer vacations are winding down, Gateway Services Group (GSG) is ramping up with a new series of free webinars to help credit unions. The fall webinar line -up includes three brand new webinars aimed at addressing important areas of focus for credit unions-Auto Lending Options for Members with Impaired Credit, Generating More Income from Extended Warranty, and Developing a Marketing Plan for your Investment Program. Following is a listing of GSG's new webinars and a brief description of each.

Auto Lending Options for Members with Impaired Credit

This new webinar is perfect for CU staff in the lending or collections departments. GSG will present innovative new technology aimed at helping credit unions provide support to members who have had blemishes on their credit reports.

The webinar will be offered September 15; October 13; and November 17 at 1:00 EST;

Generating More Income from Extended Warranty

GSG will discuss a new approach to offering Extended Warranty coverage to members that can result in improved penetration. This webinar is perfect for CU staff responsible for their insurance programs and those in the lending area.

The webinar will be offered September 16; October 14; and November 18 at 3:00 EST.

Driving Investment Program Results with a Strategic Marketing Plan

In this new webinar, GSG will provide practical information on how to build a powerful marketing plan for the Investment Program. We will showcase samples of marketing campaigns successfully used by CUs as well as GSG's Marketing Planning template.

The webinar will be offered September 22; October 19; and November 16 at 1:00 EST.
